

## Crawford County Address Number Request Form

The Crawford County address numbering system is based on a grid system. Address numbers correspond to a specific grid location determined by where the driveway enters the road. In order to ensure sequential numbering now and in the future it is important that the County Engineer is able to accurately identify the location of the driveway to which the address will be associated.

With this information in mind, please fill out the request form as accurately as possible.

Applicant name \_\_\_\_\_ Date \_\_\_\_\_  
 Mailing Address \_\_\_\_\_  
 Street \_\_\_\_\_  
 City, State Zip Code \_\_\_\_\_  
 Daytime phone \_\_\_\_\_ Current owner \_\_\_\_\_  
 Type of structure \_\_\_\_\_ Parcel number \_\_\_\_\_  
(house, trailer, apartment, barn, etc.)

- 1) Sketch location of driveway showing distance from the center of a road intersection, surveyed property line, existing address or other prominent feature. (Attachments may be added)
- 2) Indicate road names.
- 3) If driveway location can not be determined from sketch the location will need to be marked.
- 4) If driveway location is moved please contact the Engineer's Office; a new number may be necessary.
